ORDER DENYING MOTION TO  
COMPEL

This matter comes before the Court on defendant's *pro se* "Motion to Compel" (Dkt. # 176). Defendant requests that this court compel his former state court criminal defense attorney to provide his files. Defendant sought the information in relation to probation violation charges in this case. The violation charges have since been resolved. Of the six charged violations, defendant admitted to four and the government withdrew the remaining two. Since the documents defendant seeks are not necessary to resolve the probation violations, his motion is DENIED.
